

European Projects Advisory Group

EPAG Webinar - 8 April 2024

The **European Project Advisory Group (EPAG)**, one of the 11 [CETAF working groups](#), is organising a webinar to raise awareness of its goals and activities across the CETAF community in order to provide maximum value to colleagues working in the different working groups as well as on an individual basis. As such, this webinar is intended for anyone from the CETAF institutions interested to find out more about how they can benefit from interacting with EPAG. To obtain further details about the webinar, contact us at cetaf_epag_core@cetaf.simplelists.com.
